

The Colorado School of Public Health at
the University of Colorado Denver
presents:

EBHC 2009

The 11th Rocky Mountain Workshop on
How to Practice Evidence-Based Health Care
July 26-30, 2009
Vail Cascade Club – Vail, Colorado

Looking for that **one** CE activity that will really make a difference?

Andy Oxman of the Cochrane Collaboration and Senior Researcher at the Norwegian Knowledge Centre for Health Services in Oslo, Norway, and Judith Baxter, Assistant Professor in the Department of Community & Behavioral Health in the Colorado School of Public Health, are the course directors for the 2009 EBHC Workshop. Internationally recognized experts in the field of EBM will be teamed with outstanding local tutors, and librarians from the University of Colorado Health Sciences Library.

Internationally recognized tutors that have been faculty include: Andy Oxman, Scott Richardson, Martha Gerrity, Kay Dickersin, Robert Fletcher, Suzanne Fletcher, Lisa Bero and Peter Tugwell.

For details about this workshop, including objectives and accreditation information, please visit the website at <http://ebhc.uchsc.edu>.

- Up to 39 hours of continuing education credit
- 3:1 participant to tutor ratio, registration limited to 54 participants
- Extensive librarian and technical support
- Real-time database searching
- Participant-determined plenary, and small group sessions
- Audience of clinicians, policy makers, and international public health professionals
